PENALTY POINTS – Guidelines V1.0

IMPORTANT NOTE: PENALTY POINTS ARE NOT PERMITTED TO BE IMPOSED BY THE STEWARDS IF THE PENALTY IS A REPRIMAND OR A FINE.

- 6) After one Event suspension 12 points are taken off the driver's licence.
- 7) The points indicated are intended to be the norm for a particular offence. The Stewards may vary these, taking into account mitigating or aggravating circumstances. However, the authority of the Stewards to increase the points assessed is intended to be used only in exceptional circumstances.
- 8) The penalties indicated represent the normal penalties that have historically been assessed in usual circumstances. It should be noted that the Stewards review each incident within its unique circumstances and reserve the right to assess the full range of penalties under the Code as appropriate.
- 9) Unserved time penalties for drivers who fail to finish the race will be converted to grid drops in the next feature race.
- 10) In cases where a driver does not finish a race, time penalties will be converted to grid drops ONLY when the offense carries penalty points.
- 11) Note that carried forward grid drops apply to the next feature race.
- 12) Changes are indicated in purple.
